1. (a) These rules may be called **the Civil Pensions (Commutation) Rules.**  
(b) They shall be deemed to have come into force on 1st April 1925.
2. The powers granted by these rules shall be exercised, in relation to Government servants who are under the administrative control of a local Government, by the local Government, and in relation to other Government servants by the Governor-General in Council, and may be delegated by them to the High Commissioner for India, subject to any condition which they may think fit to impose.
3. A Government servant who is a member of one of the Services or holds one of the posts included in the appendix to these rules shall be entitled, subject to the conditions hereinafter specified, to commute for a lump payment any portion, not exceeding one-half, of any pension which has been or may be granted to him under civil rules. But any such commutation shall be subject to the condition that-
  - (a) if the pension exceeds £ 180 when payable in London, or Rs. 2,057 when payable in India, not less than £ 150 (or Rs. 1,714) of its value shall remain uncommuted ; and
  - (b) if the Pension is less than £ 180 (or Rs. 2,057), not more than £ 30 (or Rs.343) of its value shall be commuted, and not less than £ 120 (or Rs. 1,371) shall remain uncommuted:

Provided that the sanctioning authority may at its discretion relax or waive this condition in the case of a pension granted under the Premature Retirement Rules.

**<Amendment 20.09.1938>**

5. (1) A pensioner in Burma shall submit to the Deputy Commissioner an application in form A duly completed and signed together with a certified extract (relating to the date of his birth from the history of services of Gazetted Officers/ from his service book or service roll showing the date of his birth, his height and marks) if before retirement he (was a Gazetted Officer/ was not a Gazetted Officer), the certified extract being obtained from the officer who sanctioned his pension.

(2) The Deputy Commissioner shall verify the number and date of the letter sanctioning the pension, the amount of the pension and the number of the pension payment order and shall determine whether the application is admissible under the rules and under the supplementary orders of Government for the time being in force.

(3) If he finds the application is inadmissible he shall withhold it and inform the pensioner accordingly. An appeal against such finding shall lie to the Finance Department.

(4) If he finds the application is admissible he shall-

The Civil Surgeon shall subject the pensioner to a strict medical examination requiring him to give such information as to his health and habits as is usually supplied by persons proposing to assure their lives with Assurance Companies and forward direct to the Deputy Commissioner a report in form B on the pensioner's expectation of life together with form A and the certified extract for transmission to the Finance Department.

(ii) in the case of pensioners in receipt of invalid or wound or other extra ordinary pensions, forward the application together with the above mentioned certified extract to the Finance Department. If the application is for commutation of an invalid pension, the Deputy Commissioner shall attach thereto a certified copy of the pension medical certificate on which the applicant was invalidated

from service. The Finance Department will then arrange for the pensioner to appear either before a medical board or before a specified Government medical officer. The authority before whom he so appears shall submit a report in form B direct to the Finance Department.

The pensioner may appear forthwith for medical examination and submit the papers complete to the Head of the Department or, if he wishes to insure against the unnecessary payment of medical fees, he may first submit his application in form A, together with the certified extract to the Head of the Department to ascertain whether the application is admissible. If the Head of the Department finds that the application is admissible, he shall return the papers to the pensioner with an endorsement to this effect but without any authorization to appear for medical examination.

[\*\*<Amendment 20.09.1938>\*\*](#)

[\*\*<Amendment 20.09.1938>\*\*](#)

If he does not withdraw his application within that period, the commutation of pension shall become absolute, and payment of the lump sum shall be made forthwith, payment of the commuted portion of the pension thereupon ceasing.

9. The lump sum, if calculated in accordance with the table of present values prescribed by the Governor-General in Council, shall be payable in India ; in all other cases it shall be payable at the Home Treasury.

10. A pensioner after he has once been refused commutation on medical grounds, or after he has once declined to accept commutation on the basis of an addition of years to his actual age, may apply for a second medical examination if at least a year has elapsed since the first examination. Such re-examination will be made by a medical board. Only one such re-examination will be allowed.

**<Amendment 20.09.1938>**

11. If, when the commutation of a portion of a pension has been sanctioned, the pensioner dies on or after the date from which commutation is to take effect, but before receiving the commutation value, this value shall be paid to his heirs.

By order of the Governor in Council.
